Dear Parents,

The first day of school for students in the 2023-2024 school year will be Thursday, August 10, 2022.

The following is a list of suggested donation school supplies your child can bring on the first day of school. Supplies that are donated for classroom use will be stored, and provided to students who may need additional personal supplies.

Fourth Grade:

Please do not send your child with any additional supplies. We do not have room in the class or desks for students to store extra materials.
